DT LAUNCH PAD
Enabling Deep Tech Entrepreneurship

DT Launch Pad Liftoff 2026

Where Deep Tech Meets Its Future

As part of the **DT Launch Pad partnership**, we are bringing together **high-potential deep tech ventures, investors, universities, and innovators from across Europe** to turn research into investable, scalable companies.

June 11th 2026, 18:00 to 21:00 (CET)

Straat Museum, Amsterdam, Netherlands

What's different?

- **Curated ventures:** Each presenting team has been selected and developed through our year-long DT Launch Pad programme.

- **Strong European network:** DT Launch Pad connects leading universities, accelerators, venture experts, and innovation ecosystems across multiple countries.

- **Perfect timing, perfect location:** As an unofficial side event of the Hello Tomorrow Summit, our event places you at the centre of one of the world's most active deep-tech gatherings.

You can expect:

- Curated deep tech venture showcase
- Short, sharp pitch sessions
- Dedicated networking
- Direct investor–founder conversations

How it works:

- Free to attend
- No Hello Tomorrow Summit ticket required
- Located near the Summit
- Ideal for networking& refreshments
- Limited to 100 attendees – book soon!

Who should join?

Investors: Access a cross-European pipeline of research-driven ventures ready for fundraising.

Founders & researchers: Benchmark your venture, learn from peers and connect with investors.

Universities & Tech Transfer Offices: See how structured commercial support translates research into investment-ready companies.

Ecosystem builders: Strengthen cross-border partnerships and see real results of deep tech cooperation.

Attendance is free - book your spot now
